For Capsule coffee intensity, it represents the strength of the extracted coffee on a scale of 9-1, with 9 having the strongest coffee aroma.

- 7-6: High coffee intensity, providing a strong and robust flavor. Signature offers a heavy taste, while Selected is strong with a sweet undertone.
- 5: Medium coffee intensity, slightly elevated. Each variant has unique characteristics. Inthanon has a dark chocolate aroma in the aftertaste, Pha-lung has a dark caramel aroma, and Pang-khon has a subtle fruity aftertaste.
- 4-3: Medium coffee intensity. Honey process has a distinctive sweetness, Caribbean Breeze combines the characteristics of Caribbean coffee with a burnt sugar aftertaste, and Honey Lemon introduces increased acidity compared to others.
